Invites you to join us for a Workshop and Program presented by

Sherilyn Mortensen of Sew Kind of Wonderful.

Poudre Valley REA Building, 7649 REA Parkway, Windsor, CO

"A Trunk Full of Curves and Sew Much More"

Meeting and Program at 1:30 P.M.

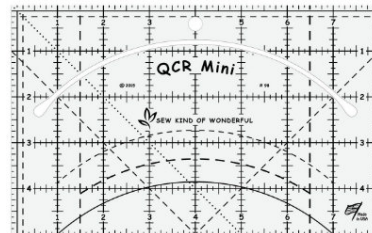

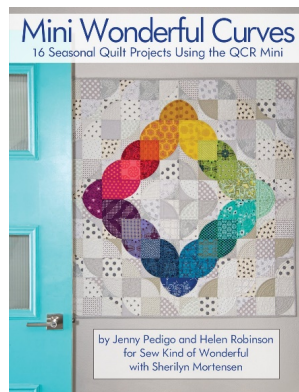

In 1998 Sherilyn made her first quilt. She really had no idea what she was doing but just knew she wanted a king size scrappy quilt for her bed. She made it and used it until it wore out. She has since learned many important quilting skills that have aided in her success as a quilter. She loves sharing her passion for quilting with her sisters. She recently purchased a Gammill Classic and is enjoying this new quilting adventure. Sherilyn is married to Mark and has two sons, one daughter-in-law and one daughter. She keeps everyone warm and comfy with plenty of quilts. They raised their children in Central Florida and currently reside on Colorado's beautiful Western Slope in Cedaredge.
